NNI LeaderWorks

One of the Northland's greatest assets is YOU – our neighborhood leaders. We have designed a program to develop the leader in you. This new regional program is not only aimed at growing your capacity as a leader in your neighborhood but to prepare you for leadership roles on boards, commissions, and other important community roles. The monthly programs will provide both the information **and** the skills you will need to be effective leaders. Meetings will be held the 4th Wednesday of each month at 7:00 p.m. at NNI.

Topics may include:

- Effective Interaction with Elected Officials
- Sustainable Neighborhood Improvements
- How to Recruit & Manage Great Volunteers - How to Fire Bad Ones!
- Promoting Your Neighborhood & Your Programs
- Self-Initiated Codes Enforcement
- Fundraising & Friendraising
- Northland Roads & Travel
- KCMO Water Department
- Regional Neighborhood Leadership & Collaboration

First program: **Northland Roads & Travel**

April 25th, 7:00 p.m.

Shellie Daniel, MoDot Area Engineer, will present a program on upcoming important road projects and road closures that will have a great impact on the Northland in the coming months.
