Volunteers Break Record!

Even before a punishing sun turned Metro North Drive into an asphalt steam bath, the morning of June 30 was a hot one. But that didn't deter more than 730 citizens, up from 679 in 2011, from taking advantage of NNI's annual household hazardous waste disposal event. The intense heat was also no match for the stalwart volunteers who make the neighborhoods in the Northland second to none.

P.O. Markus Smith, KCPD, **Robert Fort**, KC Water Services, and **Michael Shaw**, KC Public Works, organized the event. Kansas City staff, KCPD, MCSP, M.D. Management, and MARC all contributed to make this a great effort. Many, many thanks to them! They went above and beyond!

A great way to get your company's name in the lights...and on the Hot Trot t-shirts!
