

# THIS MONTH AT NNI

[www.nni.org](http://www.nni.org)

## Home Repair Applications Available

NNI is now accepting applications for The Chouteau Housing Assistance and Maintenance Program (CHAMP). This is a targeted minor home repair program for the Chaumiere and Winnwood-Sunnybrook neighborhoods, and incorporates the North Jackson Neighborhood Action Plan. This grant is for exterior repairs which generally include roofs, siding, windows, HVAC, concrete work, etc. Eligible applicants are single-family homeowners who must maintain residency for five years after the repair work from the grant is complete. For more information, or to apply for C.H.A.M.P. funds, please call 816-454-2000 or come by the NNI office.

## Watch out for kids at start of school

Fall marks back to school season which means more people will be out walking and driving in the neighborhood. More drivers will be out on the road, and many will be impatient or inexperienced. Since the streets will be busier, it's very important to pay attention to the road. First and foremost, please drive slowly around schools. Keep a watchful eye out for children who aren't patient at crosswalks and don't look both ways. Crossing guards and police will be cracking down on those who don't obey the traffic laws around school zones. In Missouri, if you are caught speeding in a school zone, you will have to pay the fine for the speeding ticket PLUS up to a \$350 fine for speeding in a school zone. Please be cautious so everyone can enjoy a safe start to the school year!
