

THIS MONTH AT NNI

December 2014

Safe Holiday Greetings

KCPD provides us with a few reminders of how to think safe during the holidays:

*If you are going out of town for the holidays, contact your patrol divisions front desk and complete a "House to Watch" form over the phone.

*Keep an eye on your neighbors, especially for those who may have a harder time getting out and around. Ensure they have what is needed and always offer a genuine greeting.

*When it comes to expensive electronic items, be sure to put them away, do not leave them or related electrical chords in plain sight. Another precaution is to write down the serial number of these items, should they go missing you have the information to give to authorities.

* Watch out for unusual activity in your neighborhood and call 911 immediately if it is observed. Do not hesitate to report unusual activity around parked cars.

**NNI gives permission for this article to be re-published in your neighborhood newsletter.* ✂
