

# THIS MONTH AT NNI

March 2015

*"Winds of March, we welcome you, there is work for you to do. Work and play and blow all day, blow the winter wind away."*

## Working to Help The Northland Stay Warm

Have you seen our partners at M5 Enterprises working at 2413 NW Vivion Rd?? In the last year NNI has been able to obtain the property, and partner with contractors to completely rehabilitate the house. NNI is excited about all of the progress made, and even more excited to be providing housing services to the Northland.

NNI recently provided our services to a local resident who was with-out heat in their home. NNI was able to conduct an Emergency Furnace Replacement, in addition to replacing a Hot Water Heater. The Missouri Housing Trust Fund program makes projects like these possible.

In order to ensure a warm home this winter, NNI was able to use the MHTF similarly, by replacing updated window units for the home below. *We are currently seeking applications for our Home Repair Program if you or a neighbor are interested in applying.*

### Eligibility

- Income qualification: 80 percent of the Kansas City area's median income
- Must own your home and have homeowner's insurance
- Current on county real estate taxes and mortgage payments

## What Else About March?

- ◆ March is National Nutritional Month, and National Woman's History Month.
