There is, however, one meaning that it holds, that is the applicable to anyone and any household:

*Spring Cleaning means a fresh start, clarity, new space, new opportunities. Here are some tips to kick-start your version of Spring Cleaning, and some helpful information to make it easier.*

**Tips:** Welcoming spaces: Tidy, clean and straighten door ways, door mats etc., to create a welcoming environment.

**Woodwork:** Polish cabinets, drawers, and baseboards, for an instant cleaner, shinier walk-way.

**Organize:** recycle, recycle, recycle. Designate a time to sort through paper work and prepare to recycle!

**Ship-up or Ship out:** match lids to containers, pots, pans and Tupperware. If you aren't finding a match then throw it out or donate it.
